

Contracts For Sept. 30, 2020

Defense.gov Contracts Announcements Sept 30, 2020

Diversified Technologies Inc., Bedford, Massachusetts, has been awarded a \$71,670,595 requirements contract for the **COBRA DANE** Radar program. This contract provides for the building and factory testing of up to 11 new transmitter groups, installation and check out of the first three production transmitter groups, installation and testing instruction and oversight of second and third production groups and technical support of final eight production transmitter groups. Sufficient engineering extras (installation spares) on hand to support installation of transmitter groups. Work will be performed in Bedford, Massachusetts, and is expected to be complete by Sept. 30, 2025. This award is the result of a sole-source acquisition. Fiscal 2020 procurement funds in the amount of 16,382,581, are being obligated at the time of award. The Air Force Life Cycle Management, Peterson Air Force Base, Colorado, is the contracting activity (FA8723-20-D-0001).
